

Radhika Sawant

Aspiring Data Analyst

Pune, India | +91-7620329834 | radhikasawant022@gmail.com | LinkedIn

PROFILE SUMMARY

Aspiring Data Analyst with strong knowledge of Python, SQL, Power BI, and Excel. Skilled in data cleaning, visualization, and building dashboards to derive meaningful insights. Eager to apply analytical skills in a real-world environment and contribute to data-driven decision-making.

TECHNICAL SKILLS

Programming: Python (Pandas, NumPy, Matplotlib, Seaborn)

Databases: MySQL, SQL (Joins, Subqueries, CTEs, Window Functions)

Data Visualization: Power BI (DAX, Power Query, Data Modeling), Excel (Pivot Tables, VLOOKUP, XLOOKUP, INDEX/MATCH)

Data Engineering & Quality: Data Cleaning, ETL Pipelines

Statistical Analysis: Hypothesis Testing, EDA, Time Series Analysis

Tools & Platforms: Git, GitHub, Jupyter Notebook

Business Intelligence: KPI Tracking, Complex Query Optimization, Reporting & Storytelling

PROJECTS

Store Sales & Inventory Analytics | SQL

- Designed and implemented a relational database with primary/foreign key relationships to manage stores, staff, customers, products, orders, and inventory across multiple locations.
- Performed advanced SQL analysis using Joins, Subqueries, CTEs, and Window Functions (RANK, ROW_NUMBER, SUM, COUNT) to identify top-selling products, calculate store revenue, and analyze monthly sales trends.
- Developed SQL-based business reports for order processing, inventory tracking, and customer and employee performance analysis, enabling data-driven decision-making.

Retail Sales Analytics & Customer Behavior Analysis

Python, Pandas, NumPy, Matplotlib, Seaborn

- Cleaned and preprocessed retail dataset by handling missing values, data type conversions, and date-based feature engineering using Python, Pandas, and NumPy.
- Performed customer behavior analysis segmented by age, gender, and demographics, identifying high-value customers, purchasing patterns, and correlations between spending and quantity purchased.
- Conducted sales trend analysis across monthly and seasonal periods, evaluated product category performance by revenue and volume, and created visual reports using Matplotlib and Seaborn to support data-driven business decisions.

EDUCATION

Master's Degree of Commerce — Sant Gadge Baba Amravati University | Pursuing

Bachelor's Degree of Commerce — Sant Gadge Baba Amravati University | 2025

CERTIFICATIONS

- Python (Basic) Skills Certification — HackerRank
- Data Analysis with Microsoft Power BI — Microsoft

ACHIEVEMENTS

- Successfully completed 2 end-to-end college projects in Database Design & Analytics and Retail Sales Analysis, demonstrating hands-on expertise in SQL, Python, and data visualization.
